Subject: **SOPA Area M Games Registration Packet**

The 2019 Special Olympics PA Area M Games will be held on April 11 at Messiah College. This letter includes the forms and information that you will need to register for the games.

Registration Forms

The Registration form for all events is included in this letter. If you will be attending the games with your school, you do not need to take any action with this letter - your school will handle your registration. Otherwise, please complete the appropriate registration form. We will not accept walk-in registrations the day of the games - all athletes must be pre-registered. Also, be sure to fill in a time for each running event you select - this will ensure that you are heated properly. Send your completed registration forms to me **no later than March 1** at the following address:

Medical Forms

If you need a blank medical form, you can download it at the Area M website: www.sopam.org. Be sure the form contains your doctor's signature, and is completely filled out. Incomplete forms will not be accepted. **Do not send medical forms directly to me** – instead, please send the medical information for your athletes directly to the Special Olympics office at the address below, **no later than March 1**. WE WILL NOT ACCEPT MEDICAL FORMS AFTER THIS DATE.
